AFRH Chief Operating Officer Fact Sheet No. 5

Subject: AFRH-Washington Interim Director Named

Applicability: Residents and Staff at AFRH-Washington and AFRH-Gulfport

The Director of the AFRH-Washington campus, COL Arnold Smith, USA, has informed me that he plans to retire in the next few weeks. Since COL Smith will be retiring, it is necessary for me to designate an individual to assume the duties of this senior leadership position.

Effective immediately, CAPT Jerald "Chuck" Ulmer, USN, will act as interim Director of AFRH-Washington for an indefinite period. CAPT Ulmer will also concurrently serve as the Director of the AFRH-Gulfport facility. CAPT Ulmer will provide direction and supervision to CAPT (Select) Paul Soares, USN, the new AFRH-Washington Deputy Director, to ensure continuity of services and programs as we finalize and implement the AFRH "One Model" Plan.
